

Parade of Homes Again Awards Bethany Meadows 1st Place in the Twin Home Category

Once again the Garden Home design used by Bethany Meadows in Brandon has received a First Place Award in the twin home category. Bethany Meadows and G& D Harr Construction have co-entered a Bethany Meadows Garden Home in the Parade of Homes the past four years and have taken 1st Place three times. This year's winning home is located at 3108 Augustana Place on the Bethany Meadows campus in Brandon. Bethany Meadows is a senior living community. Garden Homes are meant for seniors who want to remain independent, but who don't want to be burdened with home maintenance issues like lawn care, utilities or snow removal.

Bi-annually the Parade of Homes organizers select winning family home designs from several categories. Home sponsors in the greater Sioux Falls area compete for awards in an area-wide public tour event. "We are honored that the Parade of Homes organizers would again choose one of our homes as tops in its class," said Bethany Meadows Administrator John Larson. The public is welcome to view a Garden Home at Bethany Meadows, 3008 E. Aspen Blvd. in Brandon any time during normal business hours, or by calling (605) 582-8622 to set up an appointment. People interested in viewing a Garden Home can also see pictures and take a virtual tour on the Bethany Meadows website (www.bethanymeadows.org).
